

TRANSITION 2 ADULTHOOD

Month

Leaving care to live independently can be a positive experience if you have access to the right information and support.

Transition to Adulthood Month (November) focuses upon helping young people make the journey to adulthood and achieve positive life outcomes.

Next Step Plus supports young people (ages 15-25) as they transition from care into adulthood. For support or information please visit: www.nextstepplus.com.au
